## STRIKE IS POSTPONED

Chicago Telegraphers Agree to Defer Action.

ONE MORE WEEK GRACE GIVEN

Request from President S. J. Small Causes Delay in Walkout of Operators Scheduled for To-day-Ofment to Settle Differences.

Chicago, July 7 .- A strike scheduled to take place to-morrow in the offices of the Postal and Western Union telegraph com panies of Chicago was to-day postponed for one week, at the request of the national president, S. J. Small, who wired from San Francisco asking for such action by the local union.

The meeting was the most important ever held by the local union. When the with a live wire. chairman of the local executive committee asked that the strike vote be postponed for one week the wildest den stration took place. Radical members almost succeeded in stampeding the meet ing with catcalls of "cold feet," "cow ards" and "weak ones," but when the actio was explained to the rank and file the vote for the postponement car
